*The long dash (—) between chapters always means that all the chapters between and including the ones explicitly shown are to be included in the reading, regardless of whether they are all in the same book or whether they cross book boundaries. For example, Titus 1—Philem. 1 means that Titus 1, Titus 2, Titus 3, and Philemon 1 are all to be included in the reading. Similarly, II John 1—Jude 1 means that II John, III John, and Jude (which are all one-chapter books) are to be included in the reading.

If you want to print this schedule from Adobe Acrobat Reader (or perhaps another PDF reader), it works best to make sure it is set to print “Actual size” rather than “Shrink oversized pages.” That way you should not be missing the top borders of some of the tables.
